# FSP USHJA OUTREACH CLASS LISTING

2024 NORTH EAST CLASSIC | SEPTEMBER 4-8

## FIELDSTONE SHOW PARK PROUDLY INTRODUCES IT'S PARTICIPATION IN THE 2024 USHJA OUTREACH PROGRAM

THE FOLLOWING CLASSES ARE OFFERED UNDER THE USEF LICENSE FOR THIS SHOW, BUT ARE CONDUCTED UNDER THE RULES OF THE USHJA OUTREACH PROGRAM. The following will apply: 1) Riders, owners and trainers are not required to be USEF or USHJA members and will not have to pay any non-member or show pass fees; 2) Horses are not required to be registered or recorded with the USEF or USHJA; 3) Horses do not need a microchip. For those interested in participating in the optional USHJA Outreach Rewards & Awards Programs, a free USHJA Outreach-level membership and/or a paid USHJA Horse Recording is required. See the USHJA website for further details. These classes are being offered to make showing easier at this level. Classes are run in the same rings, over the same jumps and with the same officials as the USEF rated classes, just under a USHJA-sanctioned program that allows them to have less restrictions and less requirements, thus easier to participate in. Horses and riders may cross enter into the USEF classes where eligible, but will then be required to adhere to all USEF requirements, rules and fees. Entry into any of these classes must be done on a separate USHJA Outreach entry blank ... if you are only entering Outreach classes, you only need to complete an Outreach entry blank ... if you are entering both regular classes in the USEF show and Outreach classes, you must use both entry blanks and list your classes accordingly. All Outreach classes will be denoted on the schedule with "OR" preceding the class name.

## MOTORIZED VEHICLE STATEMENT IN ACCORDANCE WITH GR1301.7

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility-assistance devices for individuals with disabilities are exempt from this rule.
