FIELDSTONE SHOW PARK

2025 TRAINER STALL RESERVATION FORM

FSP June I & FSP June II

This form is designed for trainers only to make it easy to reserve stalls for any of the shows at Fieldstone Show Park. Please be as accurate as possible with your counts. After initially submitting this form, you may email FSPShowOffice@gmail.com with updates to these counts up until the Monday of the week before each show (seven days before move-in day). Trainers who reserve more stalls than they use and fail to update show management of revised counts may be held responsible for payment of unused stalls. Stall counts are considered final and are locked in on the Monday of the week before each show.

No payment is required with this form. Trainers are asked to remind their clients that they should reserve and pay for their horse stalls while making their online entries. Ideally, the number of reserved stalls on this form should match the number of client's horses that enter online. Tack stalls will be placed on the Trainer's Account for payment at the show or to be added to trainer splits.

I attest that I am a trainer with multiple entries and wish to make stall reservations for the above shows. I understand and agree that I am ultimately responsible for payment of all stalls reserved under the conditions of this form if any are not paid by the end of the show.
